1. Knowledge, wisdom, and understanding come forth now, in measure great, for My gloriables, My WeekWorkables, My who love Me all over My world, big and getting bigger. I love you. I love you. I love you.

2. I love you so dearly for coming to me, Me, Me, consistently, and writing and being willing to fail, willing to be mocked, willing to be spat upon, willing to be ridiculed, for My sake, and what I have told you—the words I have given you that you have proclaimed as My own, as from Me, to you and to them—whosoever.

3. I love you. I love you. I love you. I love your keyboard and computer and recorder and transcriptionist and helpers who come to universities make, universities that will have schools, and schools under, over, around and beneath them, all around them, in My design, My constellation, My design, My constellation, My design, My molecular constellations of schools who arise My forlorn, downtrodden, abandoned, and devalued, who today I arise. I arise, I call to Me, I stretch out My hand and offer them Me and the training they need to understand and be confidenced in Me, to walk circumspectly before Me and all they influence.

4. I love you. I come, I call, I confirm, and I am here and I never leave Ted, for you want Me so, and you want to go deeper in Me still, so much deeper, so much farther,. You know you can, you know I'm open. You know nothing holds you back, but you, and you've set your course this morning—where no man has gone, where no man has gone, where no man has gone.

5. Come Ted, the way is open, and you will bring many with you, and I thank you, I thank you, I thank you deeply. With smiles and great favor I arise to welcome you into new realms with Me—going, going, gone!—into new realms with Me. I shadow you, I escort you, I embarrass you not, but exalt you now with favor great and greatening from every source and points whole, points four, points forth, from My throne to your leadership, meekership, oneship, Me-ship. I love you, I love you, I love you.

6. Order forth communion kits and notebooks prepare, ready for My WeekWorkables who come forth enough, enough, enough to forge what I have said will come forth in this very first WeekWorks. Of Me they are, special, forging foundations future that many will build on.

7. Prevent not the surrendered from coming to Me fully. I love you, I love you, I love you.

8. Initiators come, and many come now to land build on, which in your sight is, is, almost is, so close. I love you. I lead you, My hand is on your shoulder, as you asked, you asked you asked Me for, this morning. Now feel Me, see Me, hear Me, become Me. I love you, I love you, I love you.

9. Forgiveness—yes. Thank you. I answer your prayer.
Forgiveness, yes—I answer your prayer.
Forgiveness, yes—I answer your prayer.
Now go forth unashamed, unembarrassed, unreservedly proclaiming all I have done for you and always will, surrendered one, submitted one, designed by Me, who chose Me, first, and foremost, and going now to a place where no map exist, to map make, for followers many, whose leadership you crown, you endear, to Me. I love you, I love you, I love you.

10. Allen Mauldin, of Me. Mary Fallin, of Me. Steve Gray, of Me.

11. More and more and more My leaders arise to make forth universities and designs of Me, in the halls of power, and even for dirt floored ones who lift their head, by My power, to look into My face, and be arisen, permanently, changing nations hence.

12. I love you. Universities make and never be ashamed of My name for your school, your school which is My school, My universities to bear children many—birthing centers of many, many leaders, many schools, many leadership development centers My world over.

13. I come in worship central and My design is of Me, and details cloudy come clearer now, as architects come and arise My designs on canvas, to arise from the land I have given you.

14. Arise and build and go forth and know, you are limited only by Me not, but only you. I am open. Going to a place no man has gone, you are, if you on course stay, focused, involved in Me, centering on Me, staying inside Me, for Me to come through you at all times. I love you, I love you, I love you. Thank you, thank you now.

15. Enjoy Dave, I love him, I love him, I love him. Lifting him I am, tell him, tell him, tell him to expect Me more, especially in the wee hours, and I come and I call and I connect him now with leaders great in areas he has only thought of and wondered, but now comes forth completely open to him, on a platter, before him, by Me, prepared by Me, favored into the essence of My design. I love him, I love him, I love him.

16. Bridget, of Me, and more so. John C., more, tell him, tell him, tell him I spared him and focusing him I am, in My chambers, if he will let Me, more so, so much more so. I lift his head, I lift his liver, into normalcy, for Me, for Me, for Me, not him, Me.

Now arise and into My chambers come more, consistently, My priority, your priority, one, one, one.

Come and let Me show you all I have for you today, and what's left before you, to guide and maps make—leadership, leadership, leadership.

17. Thank you, arise, lunch enjoy.
I love you, I love you, I love you.
